## GAMES & ACTIVITIES (OPTIONAL)

Please choose (by checking off) from the following listed games for us to consider for your party:

**30 Second Portrait**

Form two even lines. Each guest has 30 seconds to draw part of the Birthday Girl's portrait. At the end, everyone signs the "masterpieces" and it is a fun memento from the party.

**Ball/Balloon Pass**

Have everyone get into a circle. Have guests pass it around the circle between their legs and not using their hands. When the music stops, who ever is touching the ball/balloon is out.

*Suggested music: Can't Touch This.*

**Marshmallow Run**

This is a team game. Each person has a straw, they need to suck up 1 marshmallow and carry it across the dance floor and put it into a glass and run back and slap the hand of the next person in line. 1st team to get one marshmallow for each player wins.

*Suggested Music: Rock 'n Roll Part 2*

**Scavenger Hunt**

You can have as many people as you like play this game. Have the players come to the dance floor with a chair. Everyone must sit. The MC calls something out like a "Mastercard". The players run to find one. While they are gone, we remove one chair. The person who comes back and doesn't have a seat is out. This can be done quickly by calling another item while people are still out and removing another chair.

**Singled Out**

Most popular in last 3 years! Game to see who of your friends know you the best. Based on your hobbies, interests, lifestyle, things you like to do, places you go, etc; five finalists take step up for each Correct answer. One who reaches you wins (you're seated w/ back to your friends) you try 2 guess who it is.

*Suggested Music: The "Jeopardy" theme song*

**Twist Dance Contest** Kids vs. Adults

*Suggested Music: The Twist; Let's Twist Again for "Finalist Round"*
